Subject: Procedure for Prioritization of the subprojects to be executed in the year 2022-23 & 2023-24

Consultants for Detailed Design of the projects to be executed in forth coming years of the Program have been hired and have mobilized to the Program District Council Units. These Consultants will carry out the Sectoral Planning, Detailed Design and Resident Supervision of the subprojects as per Priority List approved by the Administrators of the Program Units.

The procedure for prioritization of these subprojects has already been shared with you which is reproduced as under:

1. Preparation of long list of need based subprojects by Units under the light of Gap Analysis and updated infrastructure descriptive maps already sent to the Units.
2. Holding of a consultative session by Units and Detailed Design Consultants with public representatives, stake holders and citizen groups and recording the attendance of participants & their deliberations along with preparation of video of this session.
3. Determination of priority service needs from feedback of the consultative sessions.
4. Formulation of the final Priority List by Units with the help of consultants to address the identified needs.
5. Appraisal of the subprojects in the list by consultants under the light of given criteria.
6. Finalization of the Priority List by sharing with public through MC website
7. Approval of the Priority List by Municipal, Council or the Administrator in the priority of the subprojects and sharing with PMDFC
8. Handing over this list to the consultants for proceeding with detailed design

You are requested to kindly finalize the Priority Lists of the subprojects under the light of the above-mentioned procedure within one week positively under intimation to this office. As the design of priority subprojects is held up due to non-completion of this procedure. (Presentation slides are also attached)
